

Dear Madam, Sir,

It is with great pleasure that we send you this information regarding the third edition of the Talentfair 2009 which will take place on Saturday March 28th and Sunday March 29th 2009 at Marcanti, Amsterdam.

The Talentfair is not just any old fair, but a new and unique event. Thousands of enthusiastic people looking for a career as a singer, musician, actor, model, dancer, presentator, dj or vj; The Talentfair is there for each and every one in search for information on starting a personal career within the entertainment field.

Aside from providing a diversity of stands and information, the fair aims to function as a bridge between the enthusiasm of the individual visitor to the daily reality of the entertainment business. Hence our slogan "Talent meets the industry!". Obviously, this fair aims to be anything but predictable. Acting on the philosophy that the active participation of the daily reality will be a clarifying stimulant, the fair will mostly strive for a hands-on experience. The search for interaction as opposed to one-dimensional seeing! Visitors will mostly 'experience' the fair!

Applications will be handled on a 'first in first served' basis, but we will try our utmost to accommodate your wishes. We can also offer you the opportunity of arranging performances, for which we have several stages available. We are, of course, available for any brainstorming sessions on thoughts and ideas .

To offer you the opportunity to invite your (potential) relations, we provide free relation-cards. The number of relation-cards depends on the size of your stand. A stand of up and until 12 m2 allows you a maximum of 4 cards, of up and until 30 m2 a maximum of 8 cards. For stands over 30 m2 additional cards are available upon request.

You are most welcome at the exhibitors-drinks afterwards the event up on Sunday, March 29th. While enjoying your drink and canapé, you will be able to (re)acquaint yourself with your colleagues. All in all, the Talentfair is the occasion for you as an exhibitor to get in touch with your target group and co-companies and to show them what your company has to offer.

In case you have never before participated in such an event, we are more than pleased to supply you with a manual with important matters to be considered upon participating in the fair.

We are at your disposal for any and all further information, if needed.
We are looking forward to welcoming you as a participant of the Talentfair 2009!!

With kind regards,

Sandra Rake / General manager / 06 – 538 18 444
